The Consumers Energy Home Performance with ENERGY STAR ("HPwES") program will be offered for a limited time in all Consumers Energy's territories. Incentives are subject to availability. Before investing in energy efficiency improvements, please confirm the availability of rebate funds through a local participating contractor in the Consumers Energy HPwES program or by contacting the program at (866) 234-0445 or consumersenergy.com/eeprograms. Eligible Consumers Energy customers can reserve rebate funds after they have received a full diagnostic HPwES assessment. Customers are only eligible for the incentive associated with their service.
