Consumers Energy Company has compiled a cost estimate for code-required improvements to your underground gas facilities at (Address). Details of the improvements are enclosed. The proposed work will conform to the Contract for Inspections and Maintenance of Customer Owned Gas Facilities in Centrally Metered Installations signed by (Owner), dated (Date).

Earlier discussions and/or letters indicate that you are unwilling to pay for code-required improvements. To avoid your default of the contract, the following alternatives are available to you:

1. Authorize the improvements specified for a maximum of \$ \_\_\_\_\_ under terms of the existing contract.
2. Terminate the contract (see contract).
3. Terminate the present contract, complete improvement work by someone other than Consumers Energy Company, and sign a new contract to continue routine inspections and maintenance work.

Please notify Consumers Energy of your decision within \_\_\_\_\_ days. If you do not reply, Consumers Energy Company intends to have this letter serve as a 60-Day Contract Cancellation Notice.
