Integrated Resource Plan (IRP) Community Feedback Session

The IRP is the company's long-term plan for our energy system serving the needs of our customers and communities. It shapes system investments to balance a safe, reliable, affordable, and clean energy future.

December 17, 2025

Location: Virtual (Microsoft Teams)

4:30pm – 5:30pm

Agenda:

- IRP purpose and scope
- Key milestones, and timeline
- Inputs considered within the IRP design process
- Next Steps | Audience Q&A
