Mission & Purpose

The Consumers Energy Foundation is the charitable arm of Consumers Energy, Michigan's largest energy provider. The Consumers Energy Foundation helps communities thrive and grow by investing in what's most important to Michigan – its people, our planet and Michigan's prosperity. Foundation giving is separate from other company contributions and cannot be used to directly benefit the corporation. The Consumers Energy Foundation is funded by company donations, not included in customer rates.

The People Awards are the second of three \$500,000 grant allocations in 2023, totaling \$1.5 million. The winners of the 2023 Planet Awards were announced in April 2023, and the 2023 Prosperity Awards will launch later this year.

The People Awards will provide as much as \$250,000 to two or more Michigan nonprofits or municipalities supporting our goal to end poverty and reduce Asset Limited, Income Constrained, Employed (ALICE) individuals in Michigan. The 2023 People Awards are currently open for letters of intent. Let's make a positive impact in Michigan together!

Working to End Poverty in Michigan

The Consumers Energy Foundation is dedicated to ensuring all Michigan residents thrive economically and have access to basic needs. We are deeply involved in addressing poverty across the State. This year, we are accepting letters of intent in support of our Basic Needs priority:

Basic Needs: We believe that all Michigan residents deserve economic security. That is why we support nonprofits that care for Michigan's most vulnerable populations by providing basic needs, including shelter, food, clothing and household goods, as well as job skills to enable future security and self-sufficiency.

Request for Letters of Intent – Deadline: 5:00 PM on MAY 12, 2023

The Consumers Energy Foundation invites Michigan nonprofits and municipalities to submit a letter of intent to express their interest in applying for a 2023 People Award. The Consumers Energy Foundation will evaluate all letter of intent submissions and select the top projects that meet the program and eligibility criteria. Organizations that make the list through the letter of intent process will be invited to submit a full application by June 8, 2023. Preference will be made in support of projects that seek to secure permanent and quantifiable results. **The deadline for submitting a letter of intent is 5:00 PM on May 12, 2023.**
