Mission & Purpose

The Consumers Energy Foundation is the charitable arm of Consumers Energy, Michigan's largest energy provider. The Consumers Energy Foundation helps communities thrive and grow by investing in what's most important to Michigan – its people, our planet and Michigan's prosperity.

The Consumers Energy Foundation's Planet Awards are the first of three \$500,000 grant rounds in 2025, totaling \$1.5 million. Additional requests for proposals will be announced later in the year for the People Awards and Prosperity Awards.

The 2024 recipients of the Planet Awards were [Muskegon County Parks and Six Rivers Regional Land Conservancy](#).

The Planet Awards will provide as much as \$250,000 to two or more Michigan nonprofits aiming to make a positive impact on the State's land, water, or air. The Consumers Energy Foundation is currently accepting letters of intent for the 2025 Planet Awards. Let's make a positive impact in Michigan together!

Impacting the Planet by Supporting Michigan's Land, Water and Air

The Consumers Energy Foundation is dedicated to ensuring Michigan has world-class natural resources by funding programs that strengthen environmental education/stewardship, preserve Michigan's natural beauty, and reduce environmental impact when natural resources are used.

This year, the Foundation is seeking letters of intent to support projects improving Michigan's environment in the following categories:

Land

The Consumers Energy Foundation supports nonprofit organizations that aim to protect, preserve, and restore land in Michigan, which includes protecting and improving Michigan's natural beauty and wildlife habitat.

Water

Our freshwater and lakes demand great care. Therefore, we support nonprofit organizations seeking to preserve and improve water quality in our Great Lakes, and our freshwater bodies that flow into them.

Air

We support nonprofit organizations seeking to reduce carbon in Michigan's air and improve air quality.

The Consumers Energy Foundation is funded by company donations, not included in customer rates.

Request for Letters of Intent – Deadline: 5:00 PM on Friday, January 31, 2025

The Consumers Energy Foundation invites Michigan nonprofits to submit a letter of intent to express their interest in applying for a 2025 Planet Award. The Consumers Energy Foundation will evaluate all letter of intent submittals and select the top projects that meet the program and eligibility criteria. Organizations that make the list through the letter of intent process will be invited to submit a full application. Full applications are due on or before Wednesday, March 5, 2025. Preference will be made in support of projects that seek to secure permanent and quantifiable results. **The deadline for submitting a letter of intent is 5:00 PM on Friday, January 31, 2025.**

Award Requirements / Eligibility Criteria

The letter of intent is the first step in a two-step application process that will result in the award of up to \$250,000 in funding per recipient (\$500,000 total). If your project/program request is for less than \$100,000 or our grant will be less than 51% of the project/program budget, we ask that you submit a grant request using our regular PLANET grant application on our [website](#).

To be eligible, all applicants for the Planet Awards must meet the following criteria:

- Candidates must be a 501(c)(3) tax-exempt organization OR municipality OR federally recognized Indian Tribal Government described in IRC Section 7701(a)(40);
- Candidates must operate in Michigan or have a project that benefits Michigan;
- The project must impact a territory that is [served by Consumers Energy](#);
- Candidates must submit a letter of intent by 5:00 PM on January 31, 2025;
- Funds cannot be used to enhance or improve Consumers Energy property;
- Funds cannot be used for energy-related projects or costs;
- The Consumers Energy Foundation must be the majority contributor to overall funding for the proposed project;
- Grantees are expected to attend any required check presentation event or grant announcement at the Consumers Energy Foundation's discretion;
- Grantees must provide data illustrating positive impact to Michigan's environment on an annual basis until completion of the project or beyond; and
- Candidates must provide information on any ongoing maintenance requirements necessary to maintain project benefits and how those needs will be met.
