

# Putting Our Energy Into Supplier Diversity

## Valuing Diverse Suppliers

We take great pride in being a company where diverse suppliers of all sizes can find opportunities to prosper. When our suppliers reflect the diverse communities we serve every day, everyone wins. Our spending is a positive investment and diverse suppliers bring new products and innovative solutions to Michigan.

## A Company for Everyone

As a business of more than 8,500 employees, we will continue to take steps to ensure we are an inclusive place to do business inside and out.

- We stand publicly against racism, hate and bias.
- We recognize the many benefits of a diverse supplier base which are in alignment with our triple bottom line commitment to people, planet and prosperity.
- We are committed to doubling our spend with diverse businesses in five years.

## **How do I register to do business with Consumers Energy?**

You'll find a registration link and other valuable information at [ConsumersEnergy.com/procurement](https://www.consumersenergy.com/procurement).

## **Do I have to be certified to be recognized as diverse?**

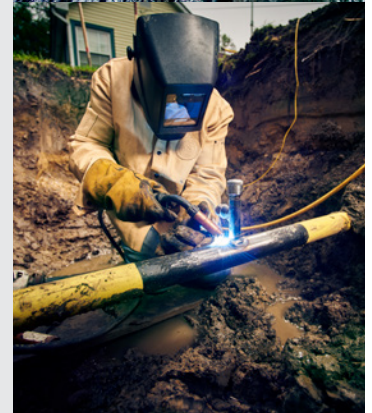

Yes. To be recognized as diverse, your business must have a current certificate from a third-party organization certifying business diversity status. You'll upload your certificate during registration.

If you are not yet certified, you can still register to do business with us through our registration portal.
