

Upgrade and Save This Holiday Season

Get energy savings and rebates up to \$75 when you upgrade to more efficient home appliances.

ConsumersEnergy.com/appliance

Products you can trust. Savings that last.

We are committed to bringing you rebates on products that are proven to help you reduce your energy use and save money. With ENERGY STAR® certified products, you could save up to \$750 in energy costs over the products' lifetime, while also helping to provide a cleaner and more sustainable future for our state.
