# There's No Better Time Than Earth Month

Our energy-saving programs and initiatives, including our partnerships with ENERGY STAR®, are estimated to save our customers \$650 million over the next 20 years! Earth Month is the perfect time to start thinking about how a more efficient home can benefit you, both in immediate and long-term energy savings.

## Two Ways to Save

- 1 LED Lighting.** Get instant savings on ENERGY STAR certified LEDs, which are designed to save you 90% more energy over their lifetime and last up to 15 times as long as a standard bulb. Find out where to save by visiting [ConsumersEnergy-findaretailer.com](https://ConsumersEnergy-findaretailer.com) and locate a store near you.
- 2 ENERGY STAR Appliances.** Get rebates on select energy efficient appliances like washing machines, dryers, refrigerators, freezers, and so much more. Just buy an eligible appliance, apply online, get your rebate, and enjoy your savings. It really is that easy! Visit [ConsumersEnergy.com/appliance](https://ConsumersEnergy.com/appliance) to get started.

This offer is valid for Consumers Energy residential electric and combination (natural gas and electric) customers only. Not valid for new home construction. No cash value.
