

A New Degree of Freedom and Savings

Whether you're going up north this summer, visiting the lakes or keeping it local, we can help you have greater peace of mind knowing your home is in good hands with a new smart thermostat.

Take advantage of our **summer deals on select smart thermostats** at our Online Store. Pair these with our **\$100 instant rebate** to save even more!

 Shop and Save

Want to take your savings to another degree?

When you join our Smart Thermostat Program, you can get a FREE or discounted thermostat and help support a clean energy future for Michigan. Visit ConsumersEnergy.com/tstatprogram to learn more.
