

A man in a light green t-shirt and a woman in a light blue button-down shirt and jeans are in a garage. The man is handing a tray of yellow flowers to the woman. The woman is smiling. In the background, there is a red electric vehicle (EV) with its trunk open. The trunk contains several potted plants, including sunflowers and red flowers. A charging cable is plugged into the car's charging port. In the background, there is a charging station on the wall and shelves with various items.

# Save on Home Charging

*Make charging easy and affordable with a Level 2 charger - the fastest and cheapest way to charge at home overnight.*

## *Already have a Level 2 charger?*

Bring your own charger and enjoy up to 2,500 miles of free driving by earning \$10 each month<sup>1</sup>, or up to \$120, just for using your own charger at home overnight.

## *Need a Level 2 residential charger?*

Get a \$500 rebate for installing an approved Level 2 charger and agreeing to charge at home overnight.

## *Charge while you recharge.*

Charge from 11 p.m. – 6 a.m. to take advantage of lower cost electricity and save more while charging at home overnight.
