For complete details and to enroll, call **877-789-9883** or visit **PeakPowerSavers.com**.

## Connect with Us

XXXXXXX

## AC PEAK CYCLING\*

1. Get a Visa® gift card and receive bill credits for letting Consumers Energy cycle your air conditioner during periods of peak demand. It's an easy, hassle-free way to save!

## TIME OF USE\*

2. Peak Rewards Time of Use – Get rewarded with lower rates when you shift your energy use away from peak-demand times. Plus, you'll earn bill credits for every kilowatt you save on designated Energy Savings Days.
3. Critical Peak Time of Use – Save big with even lower rates all year long, but note that rates are higher for energy used during peak demand on Energy Savings Days.

\*The Peak Power Savers programs are open to all customers of Consumers Energy who have received an upgraded meter. Customers must be homeowners or have homeowner permission to participate. For participation in the AC Peak Cycling program customers must have central air conditioning in good working order.
