## AC Peak Cycling Program

Save \$32 this summer by receiving bill credits for participation from June through September AND get a \$25 gift card just for signing up when you use promo code **ACPINSERT**.

Participation is easy – we'll install a free device on your air conditioning unit that will cycle your air conditioner on select hot days this summer, while still maintaining your home's comfort.

Sign up today at:  
**PeakPowerSavers.com/ac**  
or call **877-789-9883**

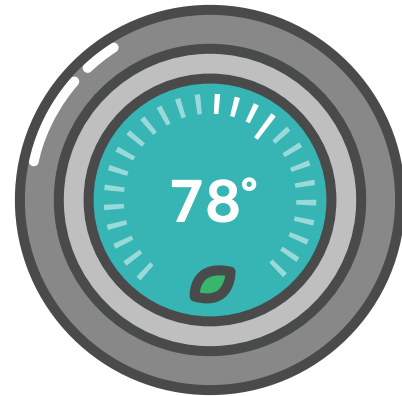

The AC Peak Cycling program is open to all electric customers of Consumers Energy who have received an upgraded meter. Customers must be homeowners or have homeowner permission to participate. For participation in the AC Peak Cycling program, customers must have central air conditioning in good working order. You will receive your gift card by mail approximately 4-6 weeks after your switch is installed.

## Smart Thermostat Program

Get \$75 when you enroll your WiFi-enabled thermostat in our Smart Thermostat Program. Don't have a smart thermostat? Don't worry, you can purchase one at a discount through our online store!

On select summer days, we'll automatically pre-cool your home early in the day which reduces your energy use during on-peak hours from 2 – 7 p.m.

Sign up or purchase your thermostat at:  
**ConsumersEnergy.com/stpinsert**

Residential electric or combo electric and natural gas customers only. Must have central air to be eligible for the Peak Power Savers Smart Thermostat Program. Customers will receive the inventive Prepaid MasterCard in the mail within 2-4 weeks after enrollment. Card is issued by MetaBank®, Member FDIC, pursuant to license by MasterCard International Incorporated. MasterCard is a registered trademark, and the circles design is a trademark of MasterCard International Incorporated. No cash access or recurring payments. Card expires after 6 months; unused funds will be forfeited after the expiration date. Card terms and conditions apply.

# Peak Time Rewards Program

Don't have a central air conditioner?

You can earn RISK FREE bill credits by shifting your electricity use. The best part? There's no penalty if you're unable to shift.

You will be notified on select summer days to shift energy use away from 2 – 6 p.m. The more you shift, the more you earn.
