# A Helping Hand for Your Community

We're donating \$25 for every home energy assessment completed. During your assessment, a trained analyst will identify ways you can save energy. We are offering this program as either an in-home or virtual visit. You will be able to choose when you schedule. In addition to your savings, you are supporting your community and a cleaner energy future for Michigan by scheduling your assessment today.

## Your free upgrades may include:

- LED bulbs and nightlights
- Programmable thermostat
- High efficiency showerheads
- Water heater pipe wraps
- Water saving faucet aerators

Help us donate \$15,000 to the Habitat for Humanity® chapters supporting Midland area flood victims. Schedule today with offer code **HEAGives** at **888-316-8014** or **ConsumersHomeEnergy.com**.

### **Your safety is our priority.**

We follow established health guidelines during each appointment, including the use of face masks, hand sanitizers, disinfecting work areas and social distancing.

Program funds are limited to and are available in select geographic areas on a first-come, first-served basis. Eligibility for each measure is determined at the time of the appointment. To be eligible, the location where the audit is performed must receive natural gas and/or combination (natural gas and electric) service from Consumers Energy and the account number must be active. Past participation in the Home Energy Analysis or Helping Neighbors programs precludes account number from participation in the program. An adult 18 years or older must be present at the time the assessment is conducted. RES 301750 7/20 707K (217)
