*Program funds are limited to and are available in select geographic areas on a first-come, first-served basis. Eligibility for each measure is determined at the time of the appointment. To be eligible, the location where the audit is performed must receive natural gas and/or combination (natural gas and electric) service from Consumers Energy, and the account number must be active. Past participation in the Home Energy Analysis or Helping Neighbors programs precludes account number from participation in the program. An adult 18 years or older must be present at the time of the appointment.
