This holiday season, we are excited to provide Google's newest product - the **Google Nest Thermostat** free to you! With your new smart thermostat, you can help promote sustainable and smarter energy use in Michigan when you enroll in the **Peak Power Savers<sup>®</sup> Smart Thermostat Program**.

Learn more about the program at [ConsumersEnergy.com/smartthermostat](https://ConsumersEnergy.com/smartthermostat)

#### DISCLAIMERS:

\* Google Nest offers valid until Jan. 2, 2021 by 11:59 p.m. ET or while supplies last. Prices shown reflect sale and instant rebates plus enrollment in the Smart Thermostat Program. Tax and shipping costs apply. Available exclusively to qualified Consumers Energy residential electric customers with central air. Not applicable to prior purchases. 30-day return policy applies. Shipping restrictions may apply. If you return all or some of the merchandise, the dollar value of these promotions will not be refunded or credited to your account. May not be redeemed for cash.

You must install and connect your thermostat to Wi-Fi and your eligible equipment within 60 days of its shipment in order to keep your enrollment bonus. If you do not, you will be charged back the value of the enrollment bonus on your credit card.

\*\*Energy savings source: ENERGY STAR<sup>®</sup>. Individual savings may vary and are not guaranteed.
