## Is your home ready for cold temperatures?

When you upgrade to an energy-efficient furnace or boiler, you'll save on your energy bill and improve your home's comfort.

High-efficiency equipment can be a big investment. To help cover the cost, Consumers Energy offers:

- ▶ **Rebates up to \$1,500** on qualifying natural gas boilers
- ▶ **Rebates up to \$400** on qualifying natural gas furnaces

Maximize your savings! Replace your furnace by November 30, 2017, to get a **\$100 bonus rebate**.

### LIMITED TIME \$100 BONUS REBATE

ON A QUALIFYING HIGH-EFFICIENCY  
FURNACE REPLACEMENT

**Consumers Energy** Count on Us®

Choose a participating contractor and use the **promo code HEAT100** when scheduling your installation. Use by **November 30, 2017**.

Funds are limited and available on a first-come, first-served basis. This offer is valid for Consumers Energy residential natural gas customers only. Not valid for new home construction. No cash value. Limit one rebate per Consumers Energy account. Offer valid for original recipient only. Offer valid through November 30, 2017.
