Start Saving with AC Peak Cycling

When you enroll, we'll install a small device outside near your air conditioning unit – it's free and you don't have to be home! On limited hot summer weekdays, your air conditioner will briefly cycle on and off. We'll maintain your comfort, and for helping us reduce energy demand, you will earn \$32 in bill credits each year and a **\$25 Visa[®] gift card** for signing up.
