

## GET A GLIMPSE INTO YOUR SOLAR GARDENS EXPERIENCE:

You learn about Solar Gardens...

And decide to enroll online or call a Customer Service Representative at 800-241-3368.

WITHIN 2 WEEKS

You will receive a welcome kit and billing will begin.

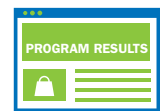

Each month, you will pay a little more on your bill...

And will be credited based on the solar energy actually generated.

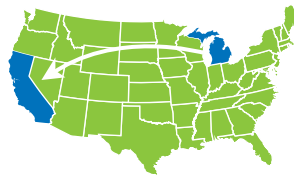

LATER...

We'll keep you informed with monthly bills, our website and program annual reports.

You can leave the program at any time.

Or if you move out of our service territory, you'll automatically be removed from the program...

But if you change service locations, your subscription can move with you.
