General Feedback

F1: I'm writing to you to ask for extended timeline given the holidays ahead and the requirement of the RFP for posting and making certain attestations which for the majority of firms requires senior management approval.

Consumers Energy appreciates the feedback and will take it into consideration as we move forward with the solicitation.

Submitting Additional Questions

All questions regarding this RFP should be submitted to the RFP Submission Email Address CECIA.enelxnorthamerica@enel.com. All questions and answers of a non-trivial nature will be posted on Enel X's Solicitation Website on a periodic basis.

Any Respondents who discover inconsistencies or errors in, or who are in doubt as to the meaning or intent of any part of, the RFP documents shall request an interpretation from Enel X via the RFP email address:

CECIA.enelxnorthamerica@enel.com

If a Respondent fails to notify Enel X of a known error or an error that reasonably should have been known prior to the final submission date, the Respondent shall assume any and all risk, and shall not be entitled to change its proposal after the submission due date.

In the event that Enel X receives a question that it is unable to answer due to the question's technical complexity or material effect on the solicitation results, Enel X reserves the right to contact Consumers Energy for clarification. In contacting Consumers Energy for clarification, Enel X will not disclose information to Consumers Energy that would reveal the respondent or project related to the question.
