

The **Gilmore Car Museum**, founded in 1966 by Donald and Genevieve Gilmore, has grown from a small collection of restored classics into one of the largest automobile museums in North America. Set on a beautiful 90-acre historic campus in Hickory Corners, it now showcases more than 400 vehicles and tells the story of America through the automobile. It remains a beloved destination for car enthusiasts, history lovers, and visitors from across the country.

## SAVE THE DATE

**Forerunners Annual Reunion Event Gilmore Car Museum – September 9, 2026, from 9:00 AM – 5:00 PM**  
Mark your calendars for our **2026 Forerunners Annual Reunion Event**, hosted this year at the memorable **Gilmore Car Museum** located at 6865 W. Hickory Corners, Michigan.

We encourage you to **arrive early** to explore the museum’s incredible collection of classic automobiles. We will gather for **lunch and our annual meeting**, then you’ll have time to continue your museum experience in the afternoon or *stay in our Conference room and enjoy music, games and conversations with your fellow retirees!*

This is always a special day of connection, history, and celebration — and we look forward to seeing you there.

More details will follow as we get closer to the event.
