**April 7, 2025 meeting.**

Attendees: Harry Redford, Jeff Zenz, Kevin McCormick, Tim Kolb, Roger Morris, Richard Myer, Ed Weaver, Mike Costello, Henry Hinojosa, Doug Petee, John Gose, Ralph Luft, Jim and Pat Lammers, David Harvey, Tony and Linda Homolka

Our Spring meeting felt more like winter but we had a good turn-out today. I'm sure that warmer weather will be coming, right?

Our 50/50 raffle (which has doubled in amount) was won today by Roger Morris.

Our Treasury has grown to \$77.00.

Some interesting facts came to Harry recently from Colin Dunham. He tells us that Whiting's Unit 3 came off the line 9 years ago March 26<sup>th</sup>. He also says it will always hold the longest continuous service record for the State of Michigan for all generating types. Unit 1 is second in line. Whiting employees have a lot to be proud of.

We have recently heard that Dave and Laurie Krawetske are moving to Bloomingdale, MI to be closer to their son and grandchildren. Dave also underwent prostate surgery. He reports that the surgery went well and his doctor says the cancer was very contained. Dave will not need any kind of chemo, just regular blood tests. We wish them both the very best in their new adventure.

I am very late in collecting yearly memberships. I am attaching a membership form, if you want to print it. I will bring some with me next month, also. If you are not a lifetime member, you can fill it out and bring \$10.00. I will send them all in together.

I also am attaching the 2025 scholarship application. The Forerunners give out several every year. It is the luck of the draw so everyone has a chance.

See you all next month, May 5, 2025 Cinco de Mayo!

Respectfully submitted,

Linda Homolka

Our next monthly meeting will be **Monday, April 7<sup>th</sup> at the Monroe Grill**. See you then!

**If you know any retirees from Whiting, please invite them to join us.**

Respectfully submitted,

Linda Homolka
