Count on Us®

SERVICE RETIREMENT

WHAT?

- Permanent retirement
- Temporary retirement with structure rebuild
- *Cut back fee required ≈ \$655*

WHEN?

- Contact Consumers Energy **30 business days** prior to scheduled demolition date.

WHY?

- **10 days** – Engineering and Miss Dig staking
- **13 days** – Crew scheduling and field execution
- **3 day** – Demolition clearance letter to be issued after completion.

OVERVIEW

Have an idea that might require your energy service to be retired?

CALL US @ 800-477-5050

- Please inform us of what retirement type is needed.
- Certified copy of recorded deed or land contract required. This is for your account safety.

Moving forward with rebuild after demo?

Here is what's needed:

- Site plan and load info
- Desired service location
- Date permanent install needed

If your meter is located within the structure to be demolished, Consumers Energy will require an appointment to gain entry.
