CUSTOMER RESPONSIBILITIES			PLEASE READ CAREFULLY		
<p>1) Payment or payment arrangements must be made prior to scheduling work. Visa® and MasterCard® are accepted.</p> <p>2) Lawn restoration, including the removal and/or replacement of any plants in the path of the service or meter location.</p> <p>3) Breaking or sawcutting any concrete or blacktop. If sand backfill is required, sand must be available on site.</p> <p>4) Spoil removal and compaction (tamping).</p> <p>5) All local municipal code requirements are pressure certifications.</p> <p>6) Your "private" underground facilities (not covered by the Miss Dig System), must be located or exposed at any crossings or those closely paralleling construction (ie, electric and phone lines, sprinklers, hidden fences, septic fields/tanks, etc).</p> <p>7) If Consumers Energy is not doing the fuel line work, the gas will be left off when the relocate is complete. After the fuel line has been run and tied into the meter bracket, you will have to call Consumers Energy at 1-800-477-5050 to schedule the installation of the new meter and relight the appliances.</p> <p>8) If installing conduit, use the following table as a sizing guide. Conduit must have no fittings or sharp bends and must be a minimum of 24" below final grade with ends sealed and left above ground. All conduit shall be PVC DB, Type II or equivalent. Properly installed and usable conduit will waive winter charges for the conduit length (only).</p>					
Service Size Conduit Size <input type="checkbox"/> 5/8" 1" <input type="checkbox"/> 1 1/8" 2" <input type="checkbox"/> 1 1/4" 3" <input type="checkbox"/> 2" 4"		PAYMENT INFORMATION Method of Payment: <input type="checkbox"/> Credit Card <input type="checkbox"/> Check # _____ For Credit Card Customers: When your application for service is ready to be processed, a Consumers Energy representative will contact you to verify the appropriate charges and collect the information required to process your credit card transaction.
