In the matter of the application of)	
CONSUMERS ENERGY COMPANY)	
for a financing order approving the securitization of)	Case No. U-17473
qualified costs.)	
_____)	

At the July 22, 2016 meeting of the Michigan Public Service Commission in Lansing,
Michigan.

PRESENT: Hon. Sally A. Talberg, Chairman
Hon. Norman J. Saari, Commissioner

ORDER

In its December 6, 2013 order, the Commission authorized Consumers Energy Company (Consumers) to securitize up to \$389.6 million of qualified costs. Among other issues addressed by the order, the Commission concluded that there must be periodic true-ups of the securitization charges to ensure that the amounts collected are sufficient to service the securitization bonds. The Commission stated:

True-ups of the securitization charges shall be conducted periodically, in accordance with the schedule and the methodology approved in this order. Mid-year true-up results may be implemented immediately for any mid-year true-up that is uncontested.

December 6, 2013 order in Case No. U-17473, p. 64 (footnote omitted).

On June 14, 2016, Consumers filed its second annual routine true-up adjustment report to reflect new surcharges for the period August 2016 through July 2017. The current and proposed surcharges are outlined on page 2 of Attachment A of Consumers' application.

The Commission Staff (Staff) reviewed the proposed adjustments and concluded that the adjustments were routine, the calculations were accurate, and the proposed adjustments conform to the methodology approved by the Commission.

After considering Consumers' filing and the Staff's review, the Commission agrees that the proposed adjustments are routine, the calculations are accurate, and the proposed adjustments conform to the approved methodology. Consumers is therefore authorized to implement the adjustments effective for bills rendered on and after the August 2016 billing month.

THEREFORE, IT IS ORDERED that:

A. For bills rendered on and after the August 2016 billing month, Consumers Energy Company shall implement the new securitization surcharges set forth in Attachment C.

B. Prior to the August 2016 billing month, Consumers Energy Company shall file with the Commission tariff sheets essentially the same as those set forth in Attachment C.

The Commission reserves jurisdiction and may issue further orders as necessary.

Any person desiring to appeal this order must do so in the appropriate court within 30 days after issuance and notice of this order, pursuant to MCL 462.26. To comply with the Michigan Rules of Court's requirement to notify the Commission of an appeal, appellants shall send required notices to both the Commission's Executive Secretary and to the Commission's Legal Counsel. Electronic notifications should be sent to the Executive Secretary at mpscedockets@michigan.gov and to the Michigan Department of the Attorney General - Public Service Division at pungp1@michigan.gov. In lieu of electronic submissions, paper copies of such notifications may be sent to the Executive Secretary and the Attorney General - Public Service Division at 7109 W. Saginaw Hwy., Lansing, MI 48917.

MICHIGAN PUBLIC SERVICE COMMISSION

Sally A. Talberg, Chairman

Norman J. Saari, Commissioner

By its action of July 22, 2016.

Kavita Kale, Executive Secretary

POWER PLANT SECURITIZATION CHARGE

The actual Securitization Charge is authorized pursuant to Rule C9.2, Power Plant Securitization Charge, Initial Implementation and True-up Methodology. The Power Plant Securitization Charge is billed to all full service customers, shown in the rate schedules identified below, based upon usage. This charge shall be shown separately on the customer's bill.

The actual Power Plant Securitization Charge applied to customers' bills is as follows:
